

THE HAPPY HOO CRAFTING COMPANY

(HAND-CRAFTED GIFTS...THAT REALLY LOOK LIKE IT!)

In the Raskin Home, with COVID came cake, cookies...and crash-the-gates crafting! (*Sewing is sooooo much less fattening!*) In lieu of the annual craft fairs I usually attend, I'm reaching out to my friends, family, and colleagues with the opportunity to buy a perfect little token, stocking stuffer, birthday memento, or hostess gift: affordable, hand-crafted, stitched items! Think of it as Melanie's Online Craft Fair!

Not seeing what you want? Need to gaze upon all 27 cat designs? Ask! Individual photos provided upon request. Custom orders are absolutely OK, with notice: I'll dig through my gazillion fabric bins to show you what's possible! New items are constantly being added...just ask!

Reasonable shipping charges (no handling fees!) for these lightweight items. Pay via Paypal, Venmo, or check.

Thanks for considering an affordable, homemade gift this year!

Checking Out

Interested in a one-of-a-kind gift? (*Lord knows, I can't standardize them...that would involve complex measurement!!*) It's easy as 1, 2, 3!

1. Place your order to me via email: pellmel@nc.rr.com.
2. Pay via Paypal, Venmo, or check after I send confirmation and payment info with additional reasonable shipping charges; some local home deliveries are possible.
3. Wait for your wonderful hand-made item to arrive.

Don't see exactly what you want? Ask! These photos showcase only a few of the designs. I'm glad to send individual photos of an item, fabric, or category of items for you to choose from: pellmel@nc.rr.com. New designs are added regularly.

Custom orders are welcome! I have lots of fabric (dogs, cats, super heroes, flowers, fruits and veggies, etc.) and a rainbow of yarn colors. Just ask, I'll send photos, and we'll whip up something wonderful for you. Be sure to ask about the popular Little Hoo baby hats. They are adorable! See the Who's Hoo Hall of Fame dropdown menu!
